

**B. F. Saul Company Hotel Division
Our Big Green - Mission Statement
Fiscal Year 2008**

The B. F. Saul Company Hotel Division is committed to the sustainability of our environment. We will implement actions and policies that deliver continuous and measurable improvement in our management and use of resources throughout the company and our hotels. We will engage all our stakeholders in this effort which we call Our Big Green. This initiative is focused in three vital areas:

Resource Consumption
Management

Waste Reduction and
Product Selection

Training and
Innovation

To fulfill this mission, we will implement leading and innovative business practices, provide education and training, utilize eco-friendly products, enhance daily work habits and monitor compliance and success. Teamwork and guest interaction will be emphasized. Our effectiveness in the fulfillment of these actions will be validated through third party accreditation and measurable results.

The organization demonstrates high ethical standards and sincere care for our guests, team members, business stakeholders and home communities. Our actions and commitment as environmentally responsible corporate citizens affirms our core mission and supports our values and long term approach.
